ESSAYS

On a separate piece of paper, type your response to the following questions: Limit each response to 500 words or less.

1. Why do you want to participate in the Anderson Scholars Program and which concentration do you plan to pursue (Entrepreneurship or Science)? Describe how you feel you will contribute to this program and what you hope to gain through your participation.

2. Please list the extra-curricular activities in which you are currently involved as well as your activities from middle school (sports, clubs, debate etc). Do you feel that any of these activities will complement your work as an Anderson Scholar? If so, how?

3. Select one of the following three questions and respond accordingly.

   A. What invention would the world be better off without, and why?

   B. Using a piece of wire, a car window sticker, an egg carton and any inexpensive hardware store item, create something that would solve a problem. Tell us about your creation.

   C. Tell us about a conversation you've had that changed your perspective or was otherwise meaningful to you.

If your first semester freshman GPA is below 3.2, please answer the following additional questions.

1. Describe activities you have engaged in that demonstrate a **strong** interest in your chosen concentration (science or entrepreneurship).

2. Describe how you will be successful in the Anderson Scholar Program given the rigors of its requirements. Describe how you will balance the demands of the Anderson Scholar Program with the demands of your other courses.
