March 1, 2016

Dear Classmate:

It’s hard to believe 35 years have passed since our University School graduation. Remember 1981? Springsteen was rocking - and still is. Jackson Brown played at our assembly - he has the same hair now as he did then. And Raiders of the Lost Ark was the top movie - Harrison Ford is still at it! While some things haven’t changed much, others are very different since we collected our high school diplomas. We’re looking forward to reminiscing and catching up on each other’s lives this spring.

Please join us the weekend of May 19th through the 21st in Cleveland to celebrate our 35th class reunion. The Reunion Committee and the Alumni Office have planned great events for us to reconnect with each other and to University School. In particular, we’ll be joining our HB and Laurel counterparts on Friday evening for some drinks, appetizers, and wood-fired pizza at Dave Loomis’ world famous 10-Star Bar and outdoor patio in Chagrin Falls. It’s going to be a blast! Spouses and significant others are invited to all events.

This package includes everything you need to know about Reunion Weekend 2016. Enclosed you will find:

- A schedule of events planned for the Class of 1981
- Registration and payment details
- A list of classmates planning to attend
- Information on ordering reunion apparel and lodging

All the information in this mailing is also available at us.edu/reunion.
